DETAILED ACTION

Allowable Subject Matter

Claims 1-4, 6, 8-11, 18, 22 and 24-31 are allowed over prior art.

The following is an examiner's statement of reasons for allowance:

None of the prior art teaches or suggests an exposure method in which a plurality of divided regions having different target exposure levels on a second object are successively exposed, the method comprising determining a transmittance of a light attenuator to satisfy a predetermined condition when exposing a divided region having a minimum target exposure level and exposing the plurality of divided regions having different target exposure levels on said second object without changing the transmittance of the light attenuator as claimed in independent claims 1 and 24.

None of the prior art teaches or suggest an exposure apparatus in which a plurality of divided regions having different target exposure levels on a second object are successively exposed, the apparatus comprising means for determining a transmittance of a light attenuator to satisfy a predetermined condition when exposing a divided region having a minimum target exposure level and means for exposing the plurality of divided regions having different target exposure levels on said second object without changing the transmittance of the light attenuator as claimed in independent claims 10 and 30.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
